What does the OKTO sell?

OKTO sells TIME

Time for yourself, time for
creativity, time for
development, for relaxation,
for self-realization -
embodied in hobby and
modeling sets Sensory Art.

What does SENSORY ART mean?

Sensory Art – it is art and
creativity realized through the
process of sculpting.

Who are OKTO customers?

1. **CREATIVE ADULTS**, artists who have a need to try new hobbies
2. **TEENAGERS 10+** looking for self-realization, want to try and see how will I manage to do that?
3. **CHILDREN'S 5+** age parents in order to develop the children's creative individuality and spend time together

Products by age:

- 1+ motor and sensory skills development
- 3+ development of children's individual fantasy through sensory sculpting
- 5+ creating new children's universe through sensory sculpting
- 8+ creative self-expression
- 12+ hobby and antistress

What does OKTO say?

- Our fantasies are unique
- I will not follow instructions
- Create without any limits
 - Wow, I want to do this

Why do our customers buy OKTO:

- as a gift
- your hobby
- time for relaxation, anti-stress, self-realization

OKTO sales channels:

- E-COM (marketplaces, social networks, online shops for creativity and hobbies, craft, gifts)
- Off-line Shops of creativity and hobbies
- Retail channels national and regional (promotion)

**OKTO brand average
price on the shelf:**

10-20 euros

SKU in the price list:

20 +

What is valuable in the OKTO Brand?

- full production cycle located in Eastern Europe
- cool photos and videos for E-COM
- certification and security
- unique developments
- emotional and minimalistic brand design

In our crazy world, to be sometimes with yourself and understand what you really want, there must be a time when you can listen your thoughts and desires in silence.

That is why we created these kits for creativity, which give “time for yourself” and the opportunity not to doubt your abilities.

You can do more than you think,
JUST TOUCH ...

Sincerely,
the founder of the OKTO company
